

2008 Fall Class Schedule

Web Campus

Students enrolled in Internet-based classes are required to attend one overview session per course. A student that does not attend an overview session for an Internet-based class will be marked as a "No Show" and will be dropped from the class roll. Students must have a PC with a Windows operating system, Internet access, e-mail address, and required software to enroll in an Internet course. Web registration is only available during early and regular registration periods.

Web Fee for Internet-based classes ~ \$19 per credit hour
