- Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act
- 34 CFR 668.46, Institutional Security Policies and Crime Statistics
- Violence Against Women Reauthorization Act of 2013
- Published mandates of the Student Right-to-Know & Campus Security Act (Public Law 101-542)

Working in partnership with the community, the College is committed to providing the highest quality of service to students, faculty, staff, and visitors by maintaining community peace, safety, and quality of life.

THE CAMPUS SECURITY ACT - LEGAL REQUIREMENTS

The Campus Security Act requires colleges and universities to:

- Publish an annual report every year by 1 October that contains three years of campus crime statistics and certain campus security policy statements.
- Disclose crime statistics for the Main Campus and Public Property immediately adjacent to the Main Campus, as well as facilities deemed Non-Campus. The statistics are gathered from Campus Police, local law enforcement, and other college officials who have “significant responsibility for student and campus activities.”
- Provide “emergency notification” procedures for significant emergencies or dangerous situations occurring and involving an immediate threat to the health or safety to students and employees.
- Provide “timely warning” notices of those crimes that represent a serious or continuing threat to students and employees.
- Disclose in a public crime log any crimes that have occurred on the campus or within the patrol jurisdiction of Campus Police.

The Director of Operations, Chief of Police, Dean of Instruction, Dean of Students, Director of Financial Aid, Human Resources, and the Student Success Specialist are responsible for preparing this report by making updates based on applicable federal and state laws and policies. The Director of Operations and Chief of Police also obtain crime statistics from reports compiled by the Campus Police Department, as well as the Huntsville Police Department (HPD) and the Madison County Police Department. The President's Cabinet is also available to provide feedback for the report.

We encourage stakeholders of the Drake State community and prospective employees and students to use this report as a guide for safe practices on and off campus. It can be accessed on the College website at <http://www.drakestate.edu>. Once the website has been accessed, click on the "About Drake State" button in the menu, followed by the "Resources" section. Next click on the "Campus Security Report" link to view the current Drake State Security Report link. For a paper copy, the Director of Operations can be contacted at (256) 426-5047, or e-mailed at bruce.bulluck@drakestate.edu.

CAMPUS SECURITY AUTHORITIES

The Clery Act recognizes certain university officials and offices as Campus Security Authorities (CSA). 34 CFR 668.46 define CSAs as individuals who “have significant responsibility for student and campus activities”, including, but not limited to, campus security, campus leaders and administrators, victim advocates, student life and student organizations staff and Title IX coordinators and staff.

CSAs are not responsible for determining authoritatively whether a crime took place; that is the function of Campus Safety and/or law enforcement personnel. CSAs will also not try to apprehend the alleged perpetrator of the crime; this is also the responsibility of law enforcement. They will also not try to convince a victim to contact law enforcement if the victim chooses not to do so. The following are lists of CSAs based on their responsibilities at the College:

CONFIDENTIAL REPORTING PROCEDURES

Drake State is committed to providing opportunities for victims or witnesses to report crimes on a voluntary, confidential basis, even if the information must be included in the institution's crime statistics. Incidents will be reported to one of the following, without revealing the identity of the victim:

1. 9-1-1.
2. Drake State Police Department (Campus Police) 256-551-5223
3. Huntsville Police Department (HPD); (256) 722-7100.
4. Madison City Police Department (MCPD); (256) 772-7190.
5. Madison County Police Department; (256) 772-5689.
6. Crisis Services Center of North Alabama; (256) 716-1000.
7. Sexual Assault Response Team (SART); 1-800-691-8426.
8. Title IX Coordinator; (256) 551-5214.

If you are the victim of a crime and do not want to pursue action within the College System or the criminal justice system, you may still want to consider making a confidential report. The Title IX Coordinator or a designee of the Campus Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure your safety.

The College keeps an accurate record of the number of incidents involving students, determines where there is a pattern of a crime regarding a particular location, method or assailant and alert the campus community of potential dangers. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution. Your identifying information will not be disclosed, and you will not be asked, expected, or pressured to continue reporting to any other agencies.

The College will also protect the identity of persons who report incidents having been victims or witnesses of sexual assault, domestic violence, dating violence or stalking to the fullest extent of the law.

EMERGENCY ACTIONS

Drake State goes to great lengths to ensure the safety and security of its faculty, staff, students, and visitors to the campus. The College's Emergency Operations Plan outlines key safety items as well as actions to implement during an emergency or an incident on the campus. Safety procedures are also outlined in the Student Handbook and on the College's

website. Additionally, emergency action procedures, emergency route maps, designated safe locations and assembly areas for each building on the campus, and an emergency contact list identifying individuals to report campus emergencies and Clery Act crimes are posted on bulletin boards and offices located throughout the Main Campus. Furthermore, emergency action procedures are tested periodically using drills, table-top exercises and appropriate modifications are made as deemed necessary.

Emergency Action Procedures

The College has developed an emergency message template outlining some of the more common emergencies (i.e. lockdown, evacuation, fire, tornado, etc.) with an emergency message number assigned to each, along with the action procedures to be executed. A copy of this template is located on pages 45-46 of this report. The goal is to ensure individuals are made aware of the situation in a timely manner and know the necessary steps in order to ensure their personal safety. During an actual emergency, the individual authorizing the alert will select the template message most appropriate to the on-going situation or modify it to address the specifics of the incident. In unique cases for which there are no pre-determined template messages in the system, the individual authorizing the alert will develop the most succinct message to convey the appropriate information to the campus community.

Communication Methods Used to Alert the Campus Community

The College has various systems in place to disseminate information in an expeditious manner. Some or all of these methods of communication may be activated in the event of an emergency notification to all or a segment of the campus community. Mass notifications by the College on the Main Campus will be made primarily by using the Emergency Alert System (EAS) and/or “Drake Alert”. The EAS can be operated remotely. “Drake Alert” is used to generate messages via telephone, cell phone, email and text messaging and is maintained by the Information Technology (IT) office. Television monitors are also located in buildings on the Main Campus and can be used to disseminate information, depending on the emergency. In order to receive campus-wide email announcements, students or employees must have a college e-mail account, which may be obtained from the IT office. The same office can add individuals to the Drake Alert system.

EMERGENCY NOTIFICATIONS & TIMELY WARNINGS

In accordance with the requirements of the Higher Education Opportunity Act of 1965 as amended and 34 CFR 668.46, the College has comprehensive communications procedures used to provide prompt emergency notifications and/or timely warnings to the campus community. Campus Police, in concert with the Director of Operations will determine the content and notification, based on the scope of the situation or emergency, or whether or not the event is occurring only on the campus or is posing an imminent threat to the entire campus or just a portion of it, and will make a recommendation to the College President, if time permits.

Emergency Notifications

Emergency notifications are issued upon the confirmation of any significant emergency or dangerous situation that may pose an immediate threat to health or safety and only involves a specific segment of the campus (i.e., a section of the campus or building) or a smaller group of people. In these cases, the decision will be made on how to make specific notifications to just the areas or people impacted.

Timely Warnings – Crime Alerts

In an effort to provide timely notices to the campus community in the event of a Clery Act crime that may pose a serious or ongoing threat to members of the community (can extend beyond the campus), the College will issue “Crime Alerts”. These alerts will notify the campus community of the incident and provide information that may enable college community members to protect themselves from similar incidents. The College will generally issue Crime Alerts whenever the following criteria are met: 1) a crime is committed; 2) the perpetrator has not been apprehended; and 3) there is a substantial risk to the physical safety of other members of the campus community because of the crime.

The College President will generally make the determination, in consultation with the Chief of Police, if a Crime Alert is required. However, in extreme emergencies, the Chief of Police, the Director of Operations or another college administrator having supervisory oversight may authorize a Crime Alert.

These alerts will generally be issued for the following crimes: 1) Arson, 2) Aggravated assault, 3) Criminal homicide, 4) Robbery, 5) Burglary, and 6) Sexual assaults. A timely warning may also be issued for other crimes as deemed appropriate.

Options for these notifications include the Public Address System, “Drake Alert” (email, voicemails, text messaging), social media (Twitter and Facebook), and the College’s website. Such warning(s) may include but are not limited to the following information: 1) Type of crime, 2) Date, 3) Time and location of crime, 4) Protective measures, and 5) Any available suspect information.

Timely warnings involving incidents of crimes that occur off-campus will be issued on the advice from HPD, MCPD and the Madison County Police Department, in order to prevent compromising law enforcement efforts.

SECURITY SERVICES

Drake State has a fully operational police department with state certified officers, and a contract security firm that performs regular security patrols for the Main Campus 24 hours a day, 7 days a week.

All officers are armed. Any criminal incidents on campus requiring apprehension and subsequent arrest are referred to Campus Police.

UNFOUNDED CRIMES

The Chief of Police will make the final decision if a crime is deemed unfounded. 34 CFR 668.46 states, “An institution is not required to include (or may remove) a reported crime from its statistics when sworn or commissioned law enforcement personnel have fully investigated the reported crime and have made a formal determination that the crime report is false or baseless and therefore, ‘unfounded’”. However, the College will still be responsible for disclosing in the Annual Crime and Safety Report and reporting to the U.S. DOE statistics that include the total number of crimes that were investigated and determined to be “unfounded” and subsequently withheld from crime statistics during each of the three most recent calendar years. Previously, these incidents were not required to be reported.

SAFETY AND MAINTENANCE CONSIDERATIONS

Drake State is committed to ensuring facilities and grounds are safe for faculty, staff, students and visitors. Exterior lighting and landscaping are critical aspects of this commitment. The Director of Operations conducts periodic inspections to ensure campus lighting is adequate and the landscape is appropriately controlled. Officers also conduct routine checks of lighting and security inspections of offices, classrooms and buildings during rounds and reports findings to the Director of Operations. Any person who has a concern about campus safety and physical security should contact the Director of Operations at (256) 426-5047 or the Campus Police Chief at (256) 701-3588. Maintenance personnel are also available to respond to calls for service regarding unsafe facility conditions or personal safety and property protection.

CAMPUS ESCORT

Campus Police is available to escort any person leaving the campus and is concerned for his/her security or safety to their vehicle by contacting the Security Office at (256) 683-2303.

STUDENT FEEDBACK ON CAMPUS SAFETY AND SECURITY

Student surveys are conducted on a regular basis. The College can also provide voluntary, confidential opportunities for students to provide information. The primary goal of these surveys is to identify areas of the campus that may present vulnerabilities to one's safety, assess services rendered by Campus Police and to alert these vulnerabilities to the President's Cabinet, Chief of Police, or the Director of Operations. Security, safety and other concerns can be addressed during the President's Cabinet and Administrative Council meetings or directly to the Chief of Police or the Director of Operations.

I.D. CARDS AND BADGES

To further ensure the security of faculty, staff, and students, Drake State issues I. D. badges to staff and faculty and students. Additionally, there are signs posted throughout the campus directing visitors to the Business Office. Campus Police or any Drake State College official have the authority to ask persons for identification and to determine whether they have a legitimate need to be on the campus before providing access to campus facilities.

CRIME PREVENTION AND SAFETY EDUCATION AND AWARENESS

In order to promote campus safety, the College encourages students, faculty and staff to adhere to the following tips for preventing crime on campus:

- Do not leave valuables unattended at any time on the campus. Keep laptops, backpacks, purses, IPODs and other valuables with you at all times
- Always lock the doors of your vehicle
- Avoid studying in secluded areas; try to find a location where you can still have privacy, but someone can see you
- Wear your campus I.D. badge or have an I.D. card in your possession while on the campus
- Do not accept a ride from anyone you don't know
- Report any suspicious behavior to Campus Police at 256-551-5223
- As indicated above, Campus Police is available to escort anyone to their vehicle, if needed, at any time
- Report crimes to Campus Police at (256) 551-5223

Officers from HPD are available to visit the campus periodically and hold seminars addressing crime prevention, as is the ACCS Chief Safety and Security Officer. Published reading material will also be on display throughout the campus for students regarding campus crime prevention throughout the campus.

FIREARMS POLICY

Act 2013-283, commonly referred to as Alabama “Gun Law,” took effect on August 1, 2013. Alabama Community College System (ACCS) Policy 511.01, “Firearms on Campus” dated 4/13/2016, prohibits firearms on campus or on any other facility operated by the institution. According to Code of Alabama 16-60-111.4; Act 2022-133, the following are exceptions to this policy:

1. Law enforcement officials legally authorized to carry such weapons who are officially enrolled in classes or are acting in the performance of their duties.
2. An instructional program in which firearms are required equipment.
3. Individuals not otherwise prohibited from possession of a firearm by state or federal law may possess a firearm and ammunition for that firearm in the individual’s privately owned motor vehicle while parked or operated on the grounds of the institution; provided, that the individual satisfies all of the following conditions: (a) If the firearm is a pistol, the individual is not generally prohibited from possession of a pistol by state or federal law. (b) If the firearm is any firearm legal for use for hunting in Alabama other than a pistol: (1) The individual possesses a valid Alabama hunting license. (2) The firearm is unloaded at all times while on the grounds of the institution. (3) It is during a season in which hunting is permitted by Alabama law or regulation. (4) The individual has never been convicted of any crime of violence. (5) The individual has no documented prior incidents on the grounds of the institution involving the threat of physical injury or which resulted in physical injury to another. (c) The motor vehicle is operated or parked in a location where it is otherwise permitted to be. (d) The firearm is either of the following: (1) In a motor vehicle attended by the individual and kept from ordinary observation within the individual’s motor vehicle. (2) In a motor vehicle unattended by the individual, kept from ordinary observation and locked within a compartment, container, or in the interior of the individual’s privately owned motor vehicle or in a compartment or container securely affixed to the motor vehicle. II. If the institution believes that an individual presents a risk of harm to himself, herself, or to others, the institution may inquire as to whether the individual possesses a firearm in his or her private motor vehicle. If the individual does possess a firearm in his or her private motor vehicle on the property of the institution, the institution may make any inquiry necessary to establish that the individual is in compliance with section (2) above. (1) If the individual is not in compliance with section (2), the institution may take adverse action against the individual, in the discretion of the institution.

The College is in full compliance with Act 2013-283 and ACCS Policy 511.01.

ALCOHOL POLICY

Per the Chancellor of ACCS, no alcohol is to be consumed anywhere on the college premises.

DRUG-FREE SCHOOLS AND COMMUNITIES ACT

In compliance with Section 22 of Public Law 101-226 entitled “Drug Free Schools and Campuses”, Drake State hereby gives notice of its policy to prevent the use of illicit drugs and the abuse of alcohol by students and employees. The Drug-Free Schools and Communities Act requires the College to verify that a Drug and Alcohol Abuse Education and Prevention Program (DAAPP) has been implemented. DAAPP prevents the unlawful possession, use and distribution of drugs and alcohol on campus and at recognized events and activities. As part of the program, Drake State distributes DAAPP information to students and employees annually, as well as conducts a biennial review of the program. ACCS Policy 613.01: Drug-Free Workplace, Effective 4/13/2016, states, “Community and Technical Colleges shall take reasonable and necessary action as required by federal and state law to provide a drug-free environment”.

DRUG AND ALCOHOL ABUSE PREVENTION POLICY AND PROGRAM

The Drake State DAAPP is coordinated and evaluated by a six-member committee including the Dean of Students (Chair), Director of Operations, Student Success Specialist, Human Resources Specialist, a representative from Financial Aid and a representative from the New Horizons Recovery Center.

The DAAPP commences during the Fall Semester of every academic year and ends during the Summer Semester of the same academic year. The following lists the activities available to students and employees by semester:

Fall Semester

During the fall semester, the DAAPP begins with an annual disclosure to students and employees, sent in the form of a letter to individual email accounts. Both the student and employee letter include a description of the DAAPP, location and institutional policies. The Human Resources Specialist provides this information to employees and the Dean of Students provides the information to students.

The Annual Disclosure Letter and DAAPP include the following five areas:

- Standards of conduct prohibiting the possession, use and distribution of drugs and alcohol
- Possible sanctions for violations of federal, state and local drug and alcohol laws, as well as sanctions for violations of institutional policies
- Health risks associated with the use of drugs and alcohol
- Information on counseling, rehabilitation and treatment programs
- A clear statement that the school will impose sanctions on students and employees who violate drug and alcohol laws, ordinances and/or institutional policies

Spring Semester

During the spring semester, the Drake State DAAPP conducts its annual student and employee assessment. The purpose of the assessment is to determine students' and employees' knowledge level of drug and alcohol prevention information and resources that are available to them. The survey is sent in an electronic format and the results are gathered and evaluated by the DAAPP committee in collaboration with the Office of Institutional Research.

Summer Semester

Recognizing the importance of a variety of learning styles, the DAAPP utilizes service-learning as a method of sharing drug and alcohol abuse education and prevention. The Student Success Specialist and Office of Human Resources coordinate learning excursions to treatment facilities and/or campus visits by local preventative services (e.g. MADD, HPD/Blood Alcohol Testing, etc.) with the outcome of preventing the unlawful possession, use and distribution of drugs and alcohol on campus and at recognized events and activities.

Year Round

All new students and new employees receive information about the DAAPP during New Student Orientation and New Employee Orientation.

BIENNIAL EVALUATION

Every odd-numbered year, the biennial evaluation is conducted by the DAAPP committee. The objectives of this review are to determine the effectiveness of the program and to ensure consistent enforcement of applicable laws, ordinances and institutional policies against violators.

The biennial review report and supporting documents are maintained by the Office of the Dean of Students and are made available to the U.S. Department of Education (DOE) upon request.

Employees who are found in violation of this policy shall be disciplined as deemed appropriate by the investigating authority as to the severity of the offense with final approval from the President.

The New Horizons Recovery Center is available to provide on-campus programming once each semester. The sessions are an open forum, and all students and employees are invited to attend. The College encourages students to talk with the Student Success Specialist for referrals regarding inpatient and outpatient treatment and/or local support groups. The Student Success Specialist is also available to assist students with contacting the treatment facility, if necessary. Additionally, if students request assistance for a friend or relative, the Student Success Specialist can provide suggestions on ways that the student can encourage the friend or relative to engage in treatment. Published materials regarding the various effects of substance abuse is available on display for students near the Student Success Specialist's office. The Office of Human Resources is available to offer information and support to employees.

REGISTERED SEX OFFENDERS

The Federal Campus Sex Crimes Prevention Act of 2000 and the Adam Walsh Child Protection and Safety Act of 2006 (42 U.S.C 16921) require institutions of higher education to issue a statement advising the campus community where information concerning

registered sex offenders may be obtained. In the State of Alabama, this information is accessible at <https://www.alea.gov/node/270>.

HATE CRIME REPORTING

The College strives to foster a safe and healthy learning environment that embodies diversity and inclusion of all members of the college community. Hate crimes, also called bias crimes or bias-related crimes, are criminal activities motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as race, religion, sexual orientation, gender, gender identity, ethnicity, national origin or disability. If you are a victim of or a witness to a hate/bias-related crime, immediately report it to Campus Police at (256) 551-5223, or dial 911 if it is life threatening.

Note: There were no hate crimes reported during calendar year 2023.

JEANNE CLERY ACT CRIME STATISTICS

The Director of Operations, working in concert with Campus Police, HPD, MCPD and the Madison County Police Department, collects the crime statistics and the Director of Financial Aid inputs the data in the U. S. DOE's database. The Director of Operations periodically examines the data to ensure all reported crimes are recorded in accordance with the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act, the crime definitions outlined in the Federal Bureau of Investigator's (FBI) Uniform Crime Reporting Handbook and the FBI's National Incident-Based Reporting System Handbook (sex offenses only). The Clery Act mandates the manner and format in which statistics are to be collected and published. HATE CRIMES

Note: There were no hate crimes reported for the past three years at the Main Campus and Non-Campus locations.

VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT (VAWA)

The Violence Against Women Reauthorization Act, signed by President Obama in 2013 amended the Clery Act. In addition to incidents involving sexual assaults, it has also expanded reporting for crimes such as dating violence, domestic violence, rape, and stalking. The College prohibits the crimes of dating violence, domestic violence, and stalking.

The following are definitions of these crimes:

Dating Violence - Violence committed by:

1. A person who is or has been in a social relationship of a romantic or intimate nature with the victim; and
2. Where the existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the following factors:
 - a. The length of the relationship.
 - b. The type of relationship.
 - c. The frequency of interaction between the persons involved in the relationship.

Domestic Violence - A felony or misdemeanor crime of violence committed by:

1. A current or former spouse or intimate partner of the victim.
2. A person with whom the victim shares a child in common.
3. A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner.
4. A person similarly situated to the spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.
5. Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Stalking - Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

1. Fear for the person's safety or the safety of others; or
2. Suffer substantial emotional distress.

The College is committed to safety and security, and complying with the Violence Against Women Act (VAWA) and the Clery Act, both helping to bolster response to and the prevention of violence. VAWA requires colleges and universities, both public and private, participating in federal student aid programs to increase transparency about the scope of sexual violence on campus, guarantee victims enhanced rights, provide for standards in institutional conduct proceedings and provide campus community-wide prevention educational programming. In compliance with VAWA and Clery, the College has processes in place to actively collect and share data on violent incidents, and

regularly offers sexual assault, domestic violence, dating violence and stalking prevention workshops. For more information, contact the Director of Operations, Dean of Instruction, Dean of Students, Assistant Dean of Instruction or the Student Success Specialist for details.

DEFINITION OF CONSENT

The College defines consent as “a mutual decision among all participants to engage in sexual activity”. “Consent” must be informed, voluntary, and can be withdrawn at any time. If consent is withdrawn, all sexual activity must immediately cease. A verbal “no” (no matter how indecisive) or resistance (no matter how passive) constitutes the lack of consent.

There is no consent when there is force, expressed or implied, or when coercion, intimidation, threats or duress is used. Whether or not a person has taken advantage of a position of influence over another person may be a factor in determining consent. Silence or absence of resistance does not imply consent. Past consent to sexual activity with another person does not imply ongoing future consent with that person or consent to that same sexual activity with another person.

Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. It also means that at the time of sexual contact, words or conduct indicate freely given approval or agreement, without coercion by both participants in the sexual contact. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity, or gender expression.

An individual is unable to give consent if he or she is:

- Substantially physically or mentally impaired by alcohol or drugs (including so-called “date rape drugs”)
- Forced or threatened
- Physically incapable of resisting assault, or is asleep or unconscious

LOCAL/STATE SEX OFFENSE POLICIES OR CODES

The Clery Act requires state or local policies or codes relating to sex offenses and consent to also be included in the Annual Security Report. They are listed on pages 51-57 of this ASR. However, the UCR definition will be used in determining if the incident will be included in the crime statistics.

ON-GOING PREVENTION AND AWARENESS CAMPAIGNS FOR STUDENTS AND EMPLOYEES

Drake State is committed to adhering to the Campus Save Act of 2013 by providing members of the campus community with the safest and most secure environment possible to protect students and the campus populace from becoming victims of sexual violence and harassment. To increase knowledge of the issues of sexual assault, domestic violence, dating violence and stalking, information is shared, and resources are provided to prevent interpersonal violence, promote safety and reduce perpetration. The College also provides information on culturally relevant, inclusive prevention awareness programs to incoming students and new employees during New Student Orientation and New Employee On-boarding.

In addition, private counseling sessions are available to students and employees through local agencies. Policies regarding these programs are published on the College's website, College Course Catalog, and the New Student Orientation Handbook. These policies not only reflect the College's high standard of conduct but also local, state and federal laws. All campus community members and visitors of the College are required to obey these regulations.

The College's safety program includes a number of professional, educational, and crime preventive services to further instill a sense of awareness and personal responsibility in each individual to reduce criminal opportunities. In compliance with VAWA and Clery, Drake State offers annual sexual assault, domestic violence, dating violence, and stalking prevention workshops. In the past, the College has sponsored an awareness lecture on "Sexual Assault Prevention", presented by professionals from the Oakwood University Police Department. The topics included rape, sexual assault, stalking, primary prevention, safety tips and defensive tactics. The Police Chief from Jefferson State Community College has also presented briefings on sexual harassment and sexual assault prevention to faculty and staff members.

"Title IX: Addressing Sexual Harassment/Sexual Violence" handbooks (located in the Dean of Students' office) are used to address sexual harassment/sexual violence and are available for students and employees. In addition, handbooks titled "540 Degrees Awareness, Tips and Ideas to Minimize Becoming a Victim" by Dennis Smithee, Alabama State Capitol Police, have been distributed to employees, and copies are available in the Human Resources Office.

The College has on-going prevention and awareness campaigns which include a comprehensive set of year-round goals, activities, safety and security measures and/or information targeted to all faculty, staff and students with the purpose of reducing the likelihood of dating violence, domestic violence, sexual assault and stalking.

The on-going prevention and awareness campaign for students and employees generally commences during the Fall Semester with an annual disclosure and the distribution of the Annual Security Report by October 1, handbook distribution, activities throughout the year, year-round orientation and a biennial evaluation.

ANNUAL DISCLOSURE LETTER

During the fall semester, the on-going prevention and awareness campaign for students and employees begins with an annual disclosure. The disclosure is sent in the form of a letter directly to students via email from the Dean of Students and employees via email from the Office of Human Resources. The letter underscores that the College goes to great lengths to ensure the safety and security of its faculty, staff, students and visitors to the campus. The letter also outlines that the College is required to publish and post an ASR on the College website by 1 October of each year and how paper copies of the ASR can be obtained. The College reinforces its commitment to safety and security by informing students, faculty and staff of its compliance with VAWA and Clery by actively collecting and sharing data on violent incidents and regularly offering sexual assault, domestic violence, dating violence and stalking prevention workshops.

ACTIVITIES

Crisis Services of North Alabama provides on-campus programming. Sessions for employees are typically incorporated into professional development and sessions for students are based on referrals. The College also encourages students to talk with the Student Success Specialist regarding local support groups, and faculty and staff to speak with Human Resources for guidance. Additionally, if students or employees request assistance for a friend or relative, the Student Success Specialist, Dean of Students or Human Resources Specialist can provide suggestions on ways students and employees can encourage the friend or relative to find assistance. Published materials addressing sexual harassment/sexual violence, Title IX and VAWA are found throughout the Student Services Directorate, and are housed with the Dean of Students.

YEAR-ROUND ORIENTATION

Some studies show that students are most vulnerable to attack during their freshman year and new employees may not be familiar with the VAWA guidelines. Therefore, all new students and new employees receive information about prevention and awareness during New Student Orientation and New Employee On-Boarding.

BIENNIAL EVALUATION

Every odd numbered year, a biennial evaluation is conducted by the DAAPP Committee. The objectives of this review are to determine the effectiveness of the on-going prevention and awareness campaign.

The biennial review report and supporting documents are maintained by the Office of the Dean of Students and are made available to the U.S. DOE upon request.

- Awareness Programs - Individual goals, activities and/or information targeted to faculty, staff and students with the purpose of developing knowledge of dating violence, domestic violence, sexual assault and stalking (e.g. Oakwood University Police Department visited the campus and provided a presentation to faculty on Sexual Assault Prevention).
- Bystander Intervention - Information, training and strategies to provide bystanders with the resources they need to safely intervene and/or report dating violence, domestic violence, sexual assault and stalking (e.g. calling the campus or local counseling/crisis center for support and options).
- On-going Prevention and Awareness Campaigns - A comprehensive set of year-round goals, activities, safety and security measures and/or information targeted to all faculty, staff and students with the purpose of reducing the likelihood of dating violence, domestic violence, sexual assault and stalking (e.g. distribution of Drake State Title IX booklets to students is an example of a portion of its on-going prevention and awareness campaign).
- Primary Prevention Programs - A comprehensive set of year-round goals, activities, safety and security measures and/or information targeted to new faculty, staff and students with the purpose of reducing the likelihood of dating violence, domestic violence, sexual assault and stalking (e.g. the incorporation of VAWA in the New Student Orientation Handbook, the New Student Orientation Session, and in the ORI 101: Orientation to College Class. Human Resources providing a guide from the Alabama Department of Public Health titled “Sexual Violence: Prevention and Recovery” to employees).
- Risk Reduction - Safety and security measures to reduce the risk of dating violence, domestic violence, sexual assault and stalking (e.g. Human Resources providing a list of awareness tips to prevent becoming a victim developed by the Alabama State Capitol Police.)

The College’s Student Code of Conduct provides the standards of conduct by which students and organizations are expected to abide. Enrollment and affiliation with the College in no way relinquishes the right nor provides an escape of responsibilities of local, state, or federal laws and regulations.

The conduct of each student and organization is to conform with the standards of common decency, with respect being given to the rights and property of others. The Student Code of Conduct is applicable to conduct which occurs on the College premises or while participating in official college sanctioned activities. A student may be disciplined and found in violation of the Student Code of Conduct for the following:

“Harassment, intimidation, physical assault, dating violence, domestic violence, sexual assault, or stalking.”

Failure to comply with the authority of college officials acting within the capacity of their positions or any other activity or conduct not specifically stated herein which impairs or endangers any person or property of the College is considered to be in violation of college rules and regulations.

The College is committed to assuring its employees and students work and learn in an environment free from discrimination and/or sexual harassment.

Discrimination means making a difference in treatment in any service, program, course or facility for Drake State on the basis of race, color, creed, gender (*including gender identity*), religion, sex, national origin, disability, ancestry, age, sexual orientation, pregnancy, marital status or parental status.

Harassment means the use of verbal or physical conduct which does the following:

1. Has the purpose or effect of creating an intimidating, hostile or offensive academic or employment environment;
2. Has the purpose or effect of unreasonable interference with an individual’s academic or employment performance;
3. Otherwise adversely affects academic or employment progress.

The term “harassment” encompasses “sexual harassment,” which means unwelcomed sexual advances, unwelcomed physical contact of a sexual nature, unwelcomed requests for sexual favors and other verbal or physical conduct of a sexual nature (including, but not limited to the deliberate repeated making of unsolicited gestures or comments or the deliberate or repeated display of sexually graphic materials which are not necessary for educational purposes), when the following conditions exist:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s status as a student or employee;
- Submission to or rejection of such conduct by an individual is used as a basis for enrollment, rating, or grading of a student or employee;
- Such conduct has the purpose or effect of substantially interfering with an individual’s academic or work progress, or creating an intimidating, hostile, or offensive academic or work environment.

NONDISCRIMINATION POLICY STATEMENT

The following policy reflects Drake State's commitment to equal opportunities in education and employment:

“No person shall be denied employment, excluded from partaking in, denied the benefits of, or subjected to discrimination in any program, activity or employment on the basis of gender, race, color, disability, religion, national origin, age or ethnic group.”

Note: This policy also includes gender identity.

The College complies with nondiscriminatory regulations under Title VII of the Civil Rights Act of 1964; Title IX Educational Amendment of 1972, which prohibits discrimination based on sex; Title IX, Section 106.8, which prohibits sexual harassment; Section 504 of the Rehabilitation Act of 1973, which prohibits violations of the rights of the disabled; Title VI, which prohibits discrimination based on race, color, or national origin; and the Americans with Disabilities Act (ADA) of 1990, covering policies for public accommodations for disabled individuals.

Individuals of any class who believe that they have been subjected to discrimination prohibited by Titles VI, VII, IX or Section 504 may contact the College's Title IX Coordinator (Students) (256) 551-7265, or Title IX Coordinator (Staff), at (256) 551-5214.

HARASSMENT POLICY- EMPLOYEES

ACCS Harassment Policy 601.04, dated November 10, 2020, outlines the responsibilities of College employees. The entire policy is listed on page 39-40 of this ASR. College employees are also required to receive harassment training annually, which includes sexual harassment. Faculty and staff should contact the Director of Human Resources at (256) 551-5214.

Note: For these purposes, the term "harassment" includes, but is not necessarily limited to:

Slurs, jokes or other verbal, graphic or physical conduct relating to an individual's race, color, gender (or gender identity), religion, national origin, age, disability or any other protected class. Harassment also includes unwelcome sexual advances, requests for sexual favors and other verbal, graphic or physical contact if perceived as such by the recipient.

HARASSMENT POLICY- STUDENTS

It is the policy of the College to provide students an academic atmosphere free of harassment, including sexual harassment. Sexual harassment is a form of sex discrimination. A common form of sexual harassment is the inappropriate introduction of

sexual activities or comments into the workplace or learning environment. While sexual harassment may involve relationships among equals, it often involves relationships of unequal power, giving rise to elements of coercion centered on sexual activity for opportunities of benefit such as improved job or academic status.

Each employee of the College is responsible for the enforcement of this policy and for setting an example with respect to conduct. The exploitation of institutional, academic or supervisory authority to sexually harass students, faculty or staff is a form of illegal sex-based discrimination. Violation of this policy is a violation of Title IX of the Education Rights Act of 1972 and Title VII of the Civil Rights Act of 1964. Further, violation of this policy can lead to suspension or termination of employment or student status, liability for the College and civil or criminal liability for the harassing employee.

Individuals or any class of individuals who believe that they have been subjected to discrimination prohibited by Titles VI, VII, IX or Section 504 may contact the College's Title IX Coordinator (Students) at (256) 551-7265 or the College's Title IX Coordinator (Staff) at (256) 551-5214.

STANDARDS OF CONDUCT AND ENFORCEMENT THEREOF

Drake State is a public educational institution of the State of Alabama and, as such, prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking by any student, employee, or visitor. In the event of the confirmation of such prohibited activity by a student, employee or visitor, the College shall, within the scope of applicable Federal and State due process requirements, take such administrative or disciplinary action as is appropriate.

For a student, the disciplinary action may include, but shall not be limited to, suspension or expulsion. For an employee, such administrative or disciplinary action may include, but shall not be limited to reprimand, suspension or termination of employment, or requirement that the employee participate in and/or successfully complete an appropriate rehabilitation program. Any visitor engaging in any act prohibited by this policy shall be called upon to immediately refrain from such behavior and/or leave the premises.

If any employee, student, or visitor engages in any behavior prohibited by this policy (which is also a violation of Federal, State, or local law or ordinance), that employee, student, or visitor shall be subject to referral to law enforcement officials for arrest and prosecution.

INITIAL STEPS TO RESOLVE A COMPLAINT

Informal Student Complaint Process

Drake State has a variety of procedures for dealing with student-related issues, including grade appeals, academic dishonesty violations, student discipline, harassment complaints, and student grievance procedures. One area not generally covered by other procedures concerns informal student complaints about faculty, staff or student conduct. The College respects the academic freedom of the faculty and will not interfere with the exercise of appropriate discretion concerning the content or style of teaching activities. Indeed, academic freedom is and should be of paramount importance. At the same time, the College recognizes its responsibility to provide students with a procedure for addressing complaints about faculty/staff treatment of students that are not covered by other procedures.

Wherever possible, complaints at Drake State are handled in an informal manner. Administrators, faculty and staff maintain an “open-door” policy to discuss issues of concern for all students. Faculty and staff serve as a resource for individuals seeking assistance in resolving matters within the College community. Students are encouraged to first attempt to resolve complaints with the faculty or staff person. If unresolved, students should next speak to the departmental chairperson or supervisor of the faculty or staff member in an effort to resolve the matter. If still unresolved, the student should lodge their complaint with the Dean of Instruction (academic complaints) or Dean of Students (non-academic complaints). The chart below details the initial area for assistance referral and subsequent contact areas. If students have any questions about the applicable area for assistance, they should consult with the Title IX Coordinator, who will advise the student if some other procedure is applicable to the type of complaint they are seeking to resolve.

PLAN OF RESOLVE

Formal Student Complaint Process

If an informal conference regarding a complaint fails to reach the outcome requested by the student, the student may initiate the formal process described below by timely filing a written complaint to the respective Dean. Any student enrolled at Drake State who wishes to make a formal complaint about an academic matter must report that matter in writing to the Dean of Instruction, who is responsible for managing academic complaints. Any other types of complaints are considered non-academic and are reported to the Dean of Students, who is responsible for managing non-academic complaints. If the complaint involves a specific occurrence, the complaint shall be made within ten (10) working days of the occurrence.

The written complaint is completed on a Complaint Form which includes the date the complaint was reported, the student's name, student identification number, contact information and current enrollment status. The specific elements of the complaint review that are included in the records are as follows:

1. The date of the incident;
2. Whether or not the complaint is an academic or non-academic matter;
3. If the complaint involves a specific person and/or department;
4. A description of the complaint, including specific details and additional documentation;
5. Whether the complainant has had an opportunity to speak to a Drake State faculty or staff member regarding the complaint;
6. The person to whom the complainant spoke regarding the complaint;
7. The outcome of the conversation the complainant had with a Drake State faculty or staff member regarding the complaint;
8. Signature and dated complaint form completed by complainant;
9. A processing section for either the Dean of Instruction and/or Dean of Students to complete.

If, after discussion between the student and the respective dean it is determined that the complaint can be resolved immediately, the college official will take action to resolve the complaint and will submit a report within ten (10) working days of the filing of the complaint to the President and other appropriate college officials, detailing both the complaint and its resolution.

Due Process of Student Disciplinary Cases

Drake State is committed to ensuring an environment for all employees and students, which is fair, humane and respectful. The College assures each student that no action will be taken on grounds that are not supported by academic policies and procedures. Emphasis will be placed upon achieving an equitable resolution to problems rather than seeking to emphasize guilt or punishment. Students are guaranteed procedural due process in situations involving severe disciplinary problems.

Procedure for Bringing Charges

1. Any student, faculty or staff member may file a charge in writing against a student for misconduct. The charge is to be filed with the Dean of Students.
2. The complainant must file with the Dean of Students within thirty (30) calendar days following the date of the alleged violation(s). Upon receipt of the charge, the Dean of Students will provide the student with a written statement of the charges and determine the course of action regarding the accusations. During this stage, the accused may admit to the charge and waive the right to the Hearing Board and disciplinary action will be determined by the Dean of Students.
3. If disciplinary proceedings appear warranted, the Dean of Students will set a date, time and place for the hearing and the accused will be informed by written notice at least two (2) days before the hearing. Anytime up until the day of the hearing, the accused may waive the right to a hearing, admit the charge and have the punishment be decided by the Dean of Students. Under such circumstances, the accused will be informed of the disciplinary action within five (5) days.
4. Any student whose presence poses a possible danger to persons or property of the College or an on-going threat of disrupting the academic process may be removed from the campus immediately.
5. Written notification of the date, time and place of the hearing shall be sent to the student within five (5) days of a complaint being filed.
6. A Disciplinary Committee comprised of the Dean of Students, faculty, staff and a student representative will be selected to hear each disciplinary case.
7. The Dean of Students will notify the student(s) in writing of the results and findings of the Student Disciplinary Committee and the course of appeal to the President.

Disciplinary Sanctions

Upon the determination that a student(s) has violated any of the rules, regulations, or guidelines set forth in this code, the following disciplinary sanctions may be imposed, either singularly or in combination, by the appropriate College officials:

Censure – A statement to the offender that he/she has violated College regulations and of the possibility of more stringent disciplinary actions in the event of future violations.

Disciplinary Probation – Students placed on probation will be notified of such in writing and will also be notified of the terms and length of the probation. Probation may include restrictions upon the extracurricular activities of the student. Any conduct in violation of this code while on probationary status may result in the imposition of further action.

Expulsion – Termination of student status for a definite or indefinite period. The conditions of readmission, if any, shall be stated in writing to the student.

Restitution – Reimbursement for damage or misappropriation.

Suspension – Students who are suspended are deprived of student status and are separated from the College for a stated period of time. The suspension shall appear on the student's disciplinary record.

RISK REDUCTION

Risk Reduction is defined as the safety and security measures used to reduce the risk of dating violence, domestic violence, sexual assault and stalking. The Rape, Abuse, & Incest National Network (RAINN) is a great resource listing personal strategies to reduce one's risk and ultimately prevent sexual assault or harassment. Their website is www.rainn.org.

PROTECTIVE MEASURES

Following an allegation of dating violence, domestic violence, sexual assault or stalking, it may be necessary to take an interim measure to address safety issues before the process officially begins. In those instances, the College is prepared to provide the complainant with specific remedies in order to eliminate a hostile environment and reduce/prevent the recurrence of an incident.

Those remedies are outlined in Drake State's "Title IX: Addressing Sexual Harassment/Sexual Violence" handbooks (located in the Dean of Students office) for students and staff and include but are not limited to the following:

- Assurance of alternative class or working arrangements
- Suggestion of alternative housing arrangements
- Availability of counseling services

Written Explanation of Rights

Drake State’s “Title IX: Addressing Sexual Harassment/Sexual Violence” handbooks (located in the Dean of Students office) for students and staff were designed to provide students, faculty and staff with access for information, whether the incident occurred on the campus or not. The handbook includes information on local counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, bystander intervention, student financial aid and other services available for victims both within the institution and in the community. The handbook also includes the availability of changes to the academic, living, transportation and working situations and whether or not the incident should be reported to law enforcement.

INSTRUCTIONS FOR VICTIMS OF SEXUAL ASSAULTS

In the event you or another person becomes a victim of sexual assault, it is to remember specific details to follow. The single most important thing to do is to tell someone (law enforcement, friend, medical professional, etc.). The following are recommended procedures to follow:

1. Do not shower, wash or change your clothes.
2. Do not brush your teeth.
3. Preserve any evidence such as clothing, used condoms, towels, tissue or other items which may be useful for investigative purposes.
4. If the incident occurs on campus, contact Campus Police at (256-551-5223). If the incident occurs at one of the non-campus locations, dial 911.
5. Immediately seek medical attention.
6. Seek counseling to assist with mental and emotional trauma.

BYSTANDER INTERVENTION

Bystanders play a critical role in the prevention of sexual prevention of sexual and relationship violence. A bystander is defined as an “individual who observes or ‘witnesses’ conditions that perpetuate violence...they have a choice to intervene, speak up, or do something about it.”

Drake State’s “Title IX: Addressing Sexual Harassment/Sexual Violence” handbooks (located in the Dean of Students office) for students and staff provides information on bystander intervention. The following link also provides useful information to help bystanders make informed decisions: <https://www.nsvrc.org/bystander-intervention-online-learning-opportunities>.

VICTIM CONFIDENTIALITY

Drake State recognizes the sensitive nature of sexual violence and is committed to protecting the privacy of any individual who reports an incident of sexual violence. Different officials on campus are, however, able to offer varying levels of privacy protection to victims. Reports ultimately made to HPD, including if criminal prosecution is pursued, may be made public and shared with the accused when criminal charges are filed. Reports made to college officials will be kept mostly confidential and identifying information about the complainant shall not be made public. Reports made to medical professionals and licensed mental health counselors will not be shared with third parties except in cases of imminent danger to the complainant or a third party. The College will not release names in the issuance of “Timely Warnings” or “Emergency Notifications,” nor in the “Daily Crime Log”, each of which are required by the Clery Act and any accommodation or protective measure will be confidential unless it interferes with the measure’s implementation.

DUE PROCESS

The College is committed to ensuring an environment for all employees and students which is fair, humane and respectful. The College assures each student that no action will be taken on grounds that are not supported by policies and procedures. Emphasis will be placed upon achieving an equitable resolution to problems rather than seeking to emphasize guilt or punishment.

Survivors will be provided "rape shield" protections and are not required to divulge any medical, psychological or similar privileged records.

Students and employees are guaranteed procedural due process in situations under the “preponderance of evidence” standards involving alleged dating violence, domestic violence, sexual assault or stalking in the following six ways:

1. Officials conducting hearings are appropriately trained and in the case of situations involving alleged dating violence, domestic violence, sexual assault or stalking;
 - A Disciplinary Committee comprised of the Dean of Students, faculty, staff and a student representative will be selected to hear each disciplinary case. It is mandated that no person on the committee has a conflict of interest or bias for or against the accuser or accused.
2. The accuser and the accused have equal opportunities to have others present, including an advisor of their choice;
3. The accuser and the accused receive simultaneous notification in writing of the result of the proceeding and any available appeal procedures;
 - The current procedure is that upon receipt of the charge, the Dean of Students will provide the student with a written statement of the charges.
4. The proceeding is completed in a reasonably prompt timeframe, in person or remotely.
 - The current procedure is the complainant must file with the Dean of Students within thirty (30) calendar days following the date of the alleged violation(s). The “Title IX: Addressing Sexual Harassment/Sexual Violence” handbooks (located in the Dean of Students office) for students and staff advise the entire process may take as long as sixty (60) days. While ten (10) days is listed as a goal for resolution, the sensitive nature of the incidents dictates the timeframe.
5. The accuser and the accused are given timely notice of meetings at which one or the other or both may be present.
 - If disciplinary proceedings appear warranted, the Dean of Students will set a date, time and place for the hearing, and the accuser and accused will be informed by written notice at least two (2) days before the hearing.

6. The accuser, accused, and appropriate officials are given timely and equal access to information that will be used during informal and formal disciplinary meetings and hearings.

Review by ACCS

In 2016, the Alabama Legislature vested oversight of the state's public two-year institutions of higher education (known as the Alabama Community College System) with the Alabama Community College System Board of Trustees. The Alabama Legislature further directed the Board of Trustees to delegate to the System's Chancellor the authority to act and make decisions concerning the management and operation of the community and technical

colleges. The Chancellor is assisted in these duties by the staff of the System Office, formerly known as the Alabama Department of Postsecondary Education. Consumer and student complaints that are not resolved at the institutional level are thus arbitrated at the state level by the ACCS System Office.

ACCS is committed to respecting and supporting the work of its member institutions and to providing a quality educational experience for all students. The objective of the student complaint process is to ensure that the concerns and complaints of students are addressed fairly and are resolved promptly. ACCS requires each institution to establish its own procedures to address student grievances and complaints. A student must exhaust his/her rights under the institution's official complaint/grievance policy before advancing any complaint to the System Office.

Students may file consumer/student complaints with ACCS by following these procedures:

1. The Alabama Community College System pursuant to ACCS policies and procedures, with respect to Title IX violations;
 - a. If, after exhausting all available institutional processes, a student's complaint remains unresolved, the student may appeal to the Alabama Community College System using the System's official Student Complaint Form available at (www.accs.edu). Students may submit completed complaint forms by printing the form, signing it, and then either scanning it and emailing it to complaints@accs.edu or mailing it to:

Alabama Community College System
Attention: Office of the Vice Chancellor
for Instructional and Student Services
P.O. Box 302130 Montgomery, AL 36130-2130

2. The Vice Chancellor for Instructional and Student Services or an appropriate administrator designated by the Vice Chancellor will investigate the complaint within thirty (30) days of receipt.
3. The institution which is the subject of complaint has thirty (30) days to provide a written response to questions and/or concerns raised during the investigation. Such response may or may not contain a resolution.
4. The Vice Chancellor or designated administrator will adjudicate the matter and write a report or letter to the institution and student detailing corrective action, if any is necessary, or stating that the school has no violation of policies.
5. If corrective action is needed, the institution will have thirty (30) days to comply or develop a plan to comply with the corrective action.

6. The System Office will monitor the institution's compliance to ensure the completion of any required corrective action.
7. The regional office of the Office of Civil Rights of the U.S. Department of Education within 180 days of the discriminatory act;

The institution has adequate procedures for addressing written student complaints and is responsible for demonstrating that it follows those procedures when resolving student complaints.
